# Working in Wairau

- Average day: 0800 - 1600
  - Smaller patient load compared to other hospitals
  - Mostly 1:1 consultant and RMO; reg roster is growing
- One long day per week: 0800 - 2200
  - Usually 1-2 RMOs for the wards each long day
- 3 weekends per quarter: 0800 - 2000
  - No long days rostered during 10-day stretch
- Admission shift - 1 week per quarter: 1430-2230
- Wednesday protected teaching (2x 45 minute sessions)
- METU weekly teaching on Thursdays

# Why Wairau?

- Great work-life balance
- Close working relationship with consultants
- Close-knit group - everyone helps out
- More opportunities to practice procedures and assisting in theatres
- Great way to become more independent and gain confidence with decision making
- Great RMO unit - do their best to accommodate your leave request
- **Free coffee**
- You can wear scrubs everyday
- Very close to places - Sounds, Abel Tasman, Kaikoura
