Attractions to the Region

We are big enough to offer variety, challenge, quality learning and development opportunities and collegial support. At the same time we are small enough that friendships flourish, commuting can be fun (nearly 200km of cycle trails connect the main centres of Napier, Hastings and Clive) and we take your work/leisure life balance seriously (supporting staff wellness is an organisational KPI).

The combination of fantastic weather, stunning scenery, beaches, world-class trout-fishing, easy access to the outdoors and the Central Plateau ski fields, established food and wine experiences and a high performing hospital make Hawke's Bay an ideal work/lifestyle destination.

Our region has a population of close to 160,000 people, most of who reside in or around the twin cities of Hastings and Napier. There is a strong sense of community in Hawke's Bay, and whatever your interest, chances are there will be clubs and community organisations who will offer you a warm welcome. Restaurants, cafés, arts and cultural activities rival those on offer in bigger centres.

Hawke's Bay is only four hours' drive from Wellington, five hours drive to Auckland, and an hour and half to Taupō with its famous trout fishing lake, rivers, ski fields and resorts.
