ACE RMO Intake Closes

Tuesday, 6 September 2022	National Talent Pool Sent to Employers: ACE compiles and opens the national talent pool for employers. ACE also sends excel copy of spreadsheet to employers manually as this excel spreadsheet includes the ACE scores while the live TP spreadsheet doesn't. This involves compiling a single spreadsheet of all remaining applicants who have not yet been matched and sending this to all employers. Employers use this list to fill any remaining or subsequent PGY1 positions.
Monday, 12 September 2022	Candidates Accept or Decline Employer Offers: Successfully matched graduates have 1 week to accept or reject offers and respond to the employer. If they have not responded by this time they are assumed to be rejecting the offer and the position will be offered to another applicant. The applicant who did not respond will then also be removed from this intake altogether as per the rules following rejection of an offer.
Tuesday, 13 September 2022	National Talent Pool Opens to Applicants: All unmatched applicants are placed in the Talent Pool automatically. There is no category priority applied to the applicants in the talent pool and the DHB's can review and select any unmatched applicant. Talent Pool applicants who are prepared to accept jobs with other DHB's can communicate with the recruitment contacts at those DHB's and discuss options for PGY1 positions should future vacancies arise.
Wednesday, 14 September 2022	Acceptances/Declines: Employers must notify to ACE any applicant who has declined or not responded to their offer.
Monday, 16 January 2023	Successfully matched RMO graduates begin work with employers, starting dates may vary.
