Why Choose the Auckland Regional DHBs?

Auckland offers Aotearoa's three largest DHB's with the greatest range of subspecialties and national clinical leaders with a strong tradition of clinical education and teaching support with protected training time since 1999.

Attractions to the Region

Tāmaki Makaurau Auckland is also known as the "City of Sails." Enjoy the vibrancy of an urban lifestyle alongside the tranquil settings of parks and beaches. With a population of 1.65 million people, Auckland has a bustling centre with activities galore, from international concerts and sporting events to cultural festivals and celebrations. Auckland is the largest Polynesian city in New Zealand with a dynamic mix of Māori, European, Pacific Island and Asian cultures.

Uniquely set between two harbours, and numerous islands in the Hauraki Gulf, Auckland offers dozens of beaches to enjoy within minutes of the city - or you can venture a little further afield to sail the harbour or explore the wild West Coast surf beaches. Whether you are looking for extreme adventure or a quiet morning coffee and a browse in the local market, there's always something to do in Auckland.

With a temperate climate and plenty of sunshine, Auckland enjoys long warm summers and relatively mild winters. Enjoy an outdoor lifestyle all year round with after work and weekend social and competitive sports clubs or build a deck and enjoy barbeques with your new friends!

- CBD and bustling waterfront – restaurants, cafes, pubs and clubs
- Community events – free outdoor cinema, music events, farmers markets
- Wide variety of ethnic food, local wine, beer and culture
- Access to harbour islands, e.g. Waiheke and Rangitoto
- Museum, art gallery, Sky Tower, theatre

Selection Criteria

- References submitted online via ACE
- Consideration of ACE scoring
- PVTC Selection and Allocation Policy including preferential pathways and Fit for Purpose Practitioner model

Auckland Regional DHB Cover Letters Auckland Regional DHB Cover Letters

When writing your cover letter/s to DHBs in the Auckland region, you have the option of either writing one generic cover letter for up to all 3 DHBs or writing a separate cover letter for each DHB. The PVTC ranking committee will be able to see all your cover letters so it's entirely up to you, though we would prefer a separate cover letter for each. As we do receive a lot of applications, please ensure your cover letter is a maximum of 1 page long and please address the cover letter/s to "Hiring Manger" or "To Whom it may Concern" as your CV may be looked over by multiple people.

Positions Available

The number of positions expected per DHB will be released on the ACE RMO website during 2022.
