### Why Choose Te Tai Tokerau - Northland?

Whangarei is a great choice for the first step of your medical career. Whangarei Hospital is the largest in Northland serving the community with 309 inpatient beds. The team also supports regional hospitals in Dargaville, Kaitaia, Rawene and Bay of Islands.

We provide a dynamic and immersive working environment where being part of a small team allows you to be close to the action, fostering a sense of camaraderie and collaboration. The wide variety of services available enables you to choose areas of interest, whether it be the fast-paced Emergency department, the specialised field of Paediatrics, or the diverse experiences as an O&G house officer.

You will work alongside experienced consultants who provide valuable mentorship and hands-on experience. Our aim is to place an emphasis on learning and to provide opportunities to further your development through exposure to different medical specialties.

Our commitment is to support ongoing education and provide access to further study allowing you to continue your learning journey and stay updated with the latest advancements in the medical field.

### Attractions in Northland

[Northland](#) is blessed with a subtropical climate and a combination of world class beaches, ancient forests and historical sites – perfect for an outdoor lifestyle.

The crystal clear bays and white sand beaches on the east coast and windswept beaches, great surf and massive sand dunes on the west coast will allow you to indulge year-round in numerous recreational activities including fishing, diving, canoeing, surfing and swimming. Other activities include tramping walking, horse riding and many sports and tourist-based activities from tandem skydiving through to dune surfing and quad biking – we also have some of the best golf courses in New Zealand.

The Whangarei region has a population of 101,000 with 57,000 based in [Whangarei city](#). The city is great for family living with a myriad of parks, gardens, BMX tracks, aquatic centre and amenities for children. Whangarei also has a thriving arts community with many regional galleries and studios and of course the new Hundertwasser Art Centre in the Town Basin.

If you need more, the beautiful Bay of Islands is only an hour drive away and Auckland a quick two hour skip down the highway.

## Selection Criteria

*Selection will be based on:*

- Consideration of ACE scoring
- Mandatory cover letter information (see below) and CV
- References from supervisors
- Reliability and team player
- Interests in the benefits Northland provides

It is important your cover letter includes a summary on the following criteria:

- Your reasons for choosing Health New Zealand - Northland
- What you see as the benefits of training away from a large training centre?
- In Northland there are significant inequities in health outcomes between Māori & Pākehā, what changes to the health system do you feel can most reduce the health inequities suffered by Māori?
- How you will contribute to healthcare in Northland

**Interviews:** We will not be holding interviews but if you wish to provide us with more information when considering your application, you can request a PGY1 questionnaire that allows you to do so. The questions are Northland specific.
