

ACE Application Information for the Wellington Region

About the Wellington Region

The Wellington Region DHBs have 530 RMO positions across the 4 Hospitals (Wellington Regional, Kenepuru, Hutt Valley and Masterton)

Our RMO positions are rotational which means that you may work across different sites during your time with us.

This means you can meet all of your training requirements within the one region which includes the possibility of Rural attachments.

DHB selection criteria for applicant selection

The Wellington Region doesn't award additional marks based on the University you are graduating from or to candidates who have interned with us

All applicant CVs, Cover Letters and References are reviewed.

Helpful tips, identify:

- Career progression and aspirations linked to our 3DHBs
- Commitments in the Region
- Family/Friends or support in the region

Interested applicants should complete a phone interview via an online expression of interest form.

We do offer late starts. Please make sure you indicate your interest if you are matched to our DHB.

How you score by ACE contributes significantly to your application and your overall score so spend as much time as you can in having a solid ACE application and don't leave contacting your references to the last minute

What to expect as a House Officer in the Wellington Region?

- You will have the opportunity to rotate across our three Regional DHBs
- Weekly teaching session on a Tuesday afternoon 1200 – 1400.
- ALERT course
- For PGY1 Medical runs the average pay is Category D with some being Category C or above. For PGY1 Surgical runs the average pay is Category C with some runs being Category B.

Why choose the Wellington Region?

Wellington has repeatedly been voted New Zealand's top life-style city and is the cultural and creative hub of the country - renowned for its café culture, fantastic restaurants, sparkling harbour and close proximity to vineyards.
